

CCA Guidelines

Co-Curricular Activities

CCA is regarded as an integral part of school life in Queensway Secondary School. We have implemented a suitable programme consistent with national educational objectives. The school offers a wide range of activities and caters for the varied interest and abilities of students. Through participation in CCA, we hope to develop in our students a sound body, a disciplined mind, good character, leadership qualities and sportsmanship. Our CCA programme puts emphasis on teaching students skills, inculcating in them correct values and desirable social attitudes, and the provision for healthy recreation and enjoyment. Provision is also made for the training of the talented.

Students are to choose their CCA from one of these core categories:

- a. Sports & Games
- b. Uniformed Groups or
- c. Aesthetics

Clubs & Societies may only be taken up as a 2nd CCA, subject to school approval.
