15 December 2022

Dear Parents/Guardians of Secondary 1 2023,

It gives me great pleasure to welcome your child/ward to Queensway Secondary School!

You have selected for him/her to be developed as a Queenswayan, a school with a rich history and tradition and we look forward to nurturing him/her to be the young gentleman/lady you will be proud of when he/she graduates after the next 4 years with us.

The next few years will be exciting and interesting, as your child/ward will be given the opportunity to further develop their strengths and passions, explore new experiences that would help them uncover talents or gifts that they may not yet know they have!

So, welcome to the next 4 years of education at Queensway Secondary School or QSS for short. For the students, we are glad that you chose to be a student with us and look forward to getting to know you better. As for parents/guardians, you play a very critical role in supporting your child's/ward's development over the next 4 years and I invite you to partner us in the development of your child/ward.

Briefing for Parents and Students of Secondary 1 2023 Cohort

As students no longer need to report to their posted secondary school upon receiving their S1 posting results, we have arranged for a Zoom session for you and your child/ward on 22 December, from 9 to 10 am. This session will help to prepare your child/ward for the school experience he/she will encounter when school begins on Tuesday, 3 January 2023. It will also give you an understanding of the QSS philosophy and approach to educating your child/ward. As a Principal, I have been in the education service for 39 years with the last 23 years as Principal of ACS (Junior), ACS (Barker Road) and QSS. This presentation will also be recorded so that if any of you miss it, you can catch it any time in the following days.

The details of the session are as follows:

Through the camp, students can experience positive development in self-confidence and resilience, build friendships to learn how to help and relate to one another. You may refer to the camp programme attached in PG on 21 December 2022. Please acknowledge your consent and all information provided will be treated with strict confidentiality.
