Dear Parents/ Guardians

We will soon be celebrating a significant event in our National calendar and for our graduating students, nearer to a significant milestone in their lives.

## National Day Celebrations – Thursday, 8 August 2019

To commemorate our National Day, our school will be having our National Day Celebration on 8<sup>th</sup> of Aug 2019, the eve of National Day. Students will report to school by 7.30 am and morning assembly will start at 7.40 am as usual. Please refer to the programme below:

- Morning assembly and recollections
- Community games by levels
- National Day Concert

Attendance in school is compulsory though there is no formal lesson. The school will dismiss by 11 am. Students are strongly encouraged to put on a red T/shirt (no football jersey or inappropriate picture/words) and a school PE shorts to school on that day.

## Night Study Programme for Graduating Students

We have earlier informed parents/guardians of our graduating students that we will be supporting their efforts with the Night Study Programme from Tuesday to Friday each week, starting today.

This programme supported by our teachers and undergraduate volunteers from Church of Our Saviour is meant to support the needs of our graduating students who may not have a conducive environment to study in or will study better with the support provided.

We would like to give the opportunity to parents/guardians who are able and willing to support these students in their efforts to volunteer in 2 possible ways. Your support would very much be a “pay-it-forward” move, as we believe that when the time comes for your child/ward to be in the graduating cohort, others would also volunteer. In addition, when our students see the support you provide, it will encourage them to press forward to do their best in their GCE “N” and “O” Levels, so they will do themselves and our school proud.

As we want to ensure these students have dinner, we want to subsidize all students to have their dinner while providing it free for our financially-needy students. You can ask your child/ward to bring a cheque or cash to handover to our QSS Parent Support Group (PSG) representative this Friday or next Monday and Tuesday. A receipt for your contributions will be provided.

We will also need volunteers to help collect the ordered packed food and if you are able to assist in this, please contact our PSG representative Anne at 86232966. Should you have any queries about how you can support our students, do contact her.

## Conclusion

We are grateful for the support of parents/guardians in our efforts to nurture our students towards becoming the young ladies and gentlemen we can be proud of. This year, our National Day celebrations will enable our school to celebrate collectively and I hope you and your family will enjoy the time of celebrations too.

For all our Muslim parents/guardians and students, I also take this opportunity to wish you a meaningful celebrations of Hari Raya Haji!

Yours sincerely

Mr Peter Tan  
Principal
